

Privacy Notice for Parents/Carers of Pupils Attending The Collett School, St Luke's School and Forest House Education Centre

The Collett School, St Luke's School and Forest House School collect data and information about parents / carers of our pupils so that we can operate effectively as schools. This privacy notice explains how and why we collect parent / carer data, what we do with it and what rights parents have.

The term "parent" is widely defined in education law to include the natural or adoptive parents (regardless of whether parents are or were married, whether a father is named on a birth certificate or has parental responsibility for the pupil, with whom the pupil lives or whether the pupil has contact with that parent), and also includes non-parents who have parental responsibility for the pupil, or with whom the pupil lives. It is therefore possible for a pupil to have several "parents" for the purposes of education law. This privacy notice also covers other members of pupils' families who we may process data about from time to time, including, for example, siblings, aunts and uncles and grandparents.

We collect information about parents / carers before pupils join the school and update it during pupils' time on the roll as and when new information is acquired.

Collecting parent / carer information

Whilst the majority of information about parents / carers provided to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain parent / carer information to us or if you have a choice in this.

Where appropriate, we will ask parents / carers for consent to process personal data where there is no other lawful basis for processing it, for example where we wish to ask your permission to use your information for marketing purposes or to request voluntary contributions. Parents / carers may withdraw consent given in these circumstances at any time.

Storing parent / carer data

A significant amount of personal data is stored electronically, for example, on our database, SIMS. Some information may also be stored in hard copy format.

We will only retain your personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, insurance or reporting requirements. Details of retention periods for different aspects of your personal information are available in our Data Retention Policy which is available on the schools' websites. Under data protection legislation, parents / carers have the right to request access to information about them that we hold (“Subject Access Request”). To make a request for your child’s personal data, or be given access to your child’s educational record, contact Executive Headteacher or Data Protection Officer although any written request for personal data will be treated as a Subject Access Request.

The legal timescales for the Schools to respond to a Subject Access Request is one calendar month. As the Schools have limited staff resources outside of term time, we encourage parents / carers to submit Subject Access Requests during term time and to avoid sending a request during periods when the Schools are closed or are about to close for the holidays where possible. This will assist us in responding to your request as promptly as possible. [For further information about how we handle Subject Access Requests, please see our Data Protection Policy].

No fee usually required

You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is manifestly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

What we may need from you

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it. You also have the right to:

- object to processing of personal data that is likely to cause, or is causing, damage or distress;
- prevent processing for the purpose of direct marketing;
- object to decisions being taken by automated means;
- in certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed; and
- claim compensation for damages caused by a breach of the data protection responsibilities.

In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact Executive Headteacher or Data Protection Officer. Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.
