I am pleased to be the staff Governor at St Luke's School and FHEC. I have worked many years at St Luke's and am proud to be a member of staff here.

My work involves supporting our most vulnerable learners on a daily basis and I am pleased with the development of our resources and the impact we are having on our children's progress. In the role of governor, I am keen to share the views on progress our staff and pupils make, celebrating their strengths and targeting ways forward with the support and advice of colleagues in the direction of our school.
