

St Luke's School

SPECIAL EDUCATIONAL NEEDS

Governor Profile – Revd Tim Vickers

Governor Role: Vice Chair of Governors

Term of Office: Nov 2016 to Nov 2020

Relevant Business Interests: None

Staff Connection: None

I am an Assistant Curate (vicar in training) serving the village of Redbourn and I am based at St Marys Church. I am very excited to be a part of the Governing Board at St Luke's. I see my role on the Board as part of my wider role of serving the community, as well as helping the school to build up strong and sustainable community links.

I'm inspired by St Luke who had a special interest in those whom society sometimes marginalised and didn't appreciate or value the many gifts they bring. He also believed in the mutual flourishing of all people.

Sadly some in society do not value or realise the potential of those with learning difficulties or autism. I'm determined to ensure that St Luke's continues to challenge these perceptions and provide the best education for those in its care. I'm very proud to be part of an excellent team who are making this happen.

I also have special interest in Mental Health, and I am pleased to be able to use some of these skills as link governor for Forest House Education Centre which provides education for those undergoing treatment for a variety of Mental Health conditions.
